A Stylish Haven of Comfort & Functionality

The Bural blends versatility with style. This prefabricated home design offers the perfect balance of privacy and open-plan living. This home is where comfort meets contemporary, an ideal design for both relaxation and entertaining

The sleek, modern kitchen is the centrepiece, complemented by a practical scullery for added convenience. Elevated ceilings and expansive stacker doors invite an abundance of natural light, creating a bright and airy ambience throughout.

Every feature thoughtfully enhances your lifestyle, with so much to love throughout.

The Bural is available in both Skillion and Gable roofing profiles.
