

## Evan 2 Br 1 Bath 15.2 meters long x 4.6 meters wide 70 M2

### Spacious Minimalist Design

The Evandale two-bedroom plan impresses with its generous sense of space, featuring high vaulted ceilings and an open-plan layout. The home feels light and expansive, with stacker doors seamlessly connecting to outdoor spaces.

The manufactured housing process means that this ready-made small home makes delivery to, and installation on site simple.

**The Aspen is available in both Skillion and Gable roofing profiles.**
