

Newcom 2 Br 1 bath 9.85 meters long x 6.6 meters wide 65 M2

Seamless Open-Plan Living

The thoughtfully designed Newcom prefab house features a spacious open-plan living hub. Within this hub is where natural light and a sense of openness flow effortlessly. The modern kitchen offers quality finishes, ample storage and functionality.

Along with this, the well-appointed laundry space enhances everyday convenience with smart, practical design. The prefab buildings design places the bedrooms for privacy at one end of the home, featuring a shared modern bathroom space.

The Gable roofline profile adds character and charm.
